# MAGICAL DEEP-SEA OCTOPUS VS TOXIC OCEAN PLASTIC

IT'S TIME TO  
TAKE **ACTION!**

YOU ARE A MAGICAL  
**DEEP SEA OCTOPUS** AND  
YOU HAVE HAD ENOUGH OF  
HUMANS POLLUTING THE OCEANS  
WITH **TOXIC PLASTIC WASTE.**

**MAGICAL DEEP-SEA OCTOPUS VS TOXIC OCEAN PLASTIC** is a double-layered puzzle game for 2-5 players of all ages. You will use the 8 arms of your octopus player board to gather, transform, and construct toxic black plastic into colourful coral reef tiles that you will tactically place to rebuild the ocean floor and try to earn the most points. A unique blend of rondel action selection with mancala-style movement and polynomial tile laying.

Simple to learn, with lots of puzzly decisions to make, a fun 20-50min game for families and gamers alike.
