The SEVEN DWARVES

A game of mining, smithing and romantic one-upmanship!

The Seven Dwarves is a euro-style dice placement game set in the world of Grimm's Fairy Tales.

👍 @daviddigbyboardgames

Play as one of The Seven Dwarves, each with a unique starting ability.

Roll dice, gather resources, and craft wondrous items to earn victory points

Variable setup modules tailor the game for a wide audience adding extra levels of gameplay and strategy

Play time remains the same for any number of players

Win Snow White's favour with an innovative leap-frogging "affection track".

Featuring pasty-shaped dice modifier tokens... who doesn't like a good miner's pasty!
