## A DICE POOL & TABLEAU BUILDING GAME OF THEATRE MANAGEMENT

## GAMEPLAY

Players have their own mix of Fame, Profits, and Audience acclaim to aim for depending on the unique combination of Artistic Director and Chief Executive cards they have chosen at the start of the game. These factors combine to create a players Reputation. The first player to achieve their reputation target, wins the game!

With high levels of player interaction and fierce competition throughout, Theatre Land is sure to receive a standing ovation!

In this tableau building game for 2-4 players, you'll need to hire, staff, pay freelancers, and recruit the biggest stars. All whilst managing your budgets, selecting your shows, and applying for all important grants.

Theatre Land features an asynchronous action token system creating a unique tension as players compete with dwindling resources and increasingly precious action points. Star cards allow players to temporarily sacrifice action tokens to gain a bonus for all shows at their theatre.
