

SAVANNAH Selfie

A game of herding
animals & getting the best selfies

2-5 players

20-30 minutes

Head out across the African
Savannah, with your phone in hand
— ready to capture the best selfies
with wild animals.

Be the first to capture 3 Selfies to
win the game.

Setup

Shuffle the savannah cards and
place them face up in 3 equal stacks
to the side of the play area. If a player
takes the last card in any stack,
create 2 stacks from the largest stack
remaining. Place one card in the
middle of the play area, and place
each players' Jeeples on the card.
Each player takes 3 Selfie Cards.

Gameplay

The player who most recently stroked
an animal takes the first turn.

On Your Turn

On each turn a player may do
any of the following actions in
order.

1. Move their Jeeples.
2. Place a savannah card.
3. Place animals on the new
card.
4. Migrate animals.
5. Take a selfie.

Move the Jeeples

- Moving the Jeeples to an
adjacent card is one step.
- On your turn you may move
the Jeeples up to 2 steps.

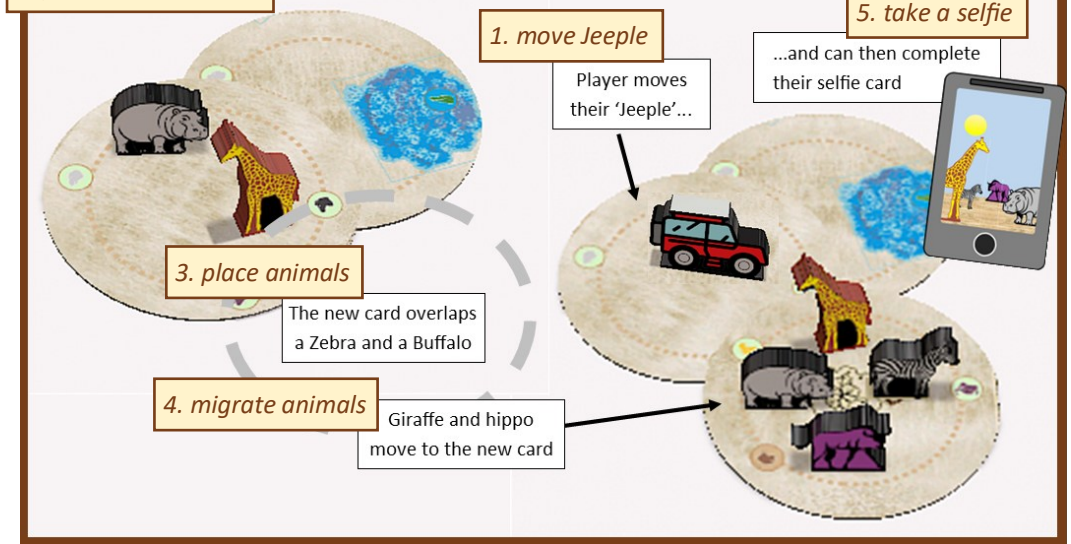

Place a Savannah Card

- Take a card from the top of
any of the 3 stacks.
- Place the new card so that it
overlaps the card that the
player's Jeeples is currently
on.

Place animals

- If the new card placed
touches or overlaps any

2. place savannah card

animal icons on any cards
already placed, then place
the corresponding animal on
the new card.

the card face up to show it has
been achieved.

Migrate animals

- You may move any animals
onto the new card from any
card that the new card
touches.

Take a Selfie

- If the animals on a card
adjacent to your Jeeples
match the animals shown on
one of your Selfie cards (no
more, no less) you may place

End of the Game

The game ends when one player
completes their 3 selfies.
Each other player has a final turn.
